Mr. Willie Riddick,
919 Faulkland St.,
Norfolk, Va.

Dear Willie:

We have at last gotten this Southern schedule straightened out. The Eagles and the Cubans are going to make the trip together, however, there have been some changes made in some of the dates. We are going to play August 7th in Easton, Md., August 8th in Milford, Del. These games Joe Lewis will handle. We decided it would be better to play the Sunday doubleheader the 9th in Richmond, Va. instead of Norfolk, as we want to be in Norfolk Monday, the 10th and Thursday, the 13th, also we may have to come to Norfolk again Sunday, August 30th. This means you will have to change the dates you have secured the perk for. you originally got Norfolk for the 9th and 10th, we want it instead for the 10th and 13th. Please take care of this right away and send me word it is O. K.

Now the next two dates the 11th and 12th at Newport News, will you please take care of them also. I will order the placards shipped right to you. All of these games are between the N. Y. Cuban Stars and the Newark Eagles.

The 14th we will play in Portsmouth, which Joe Lewis is also taking care of. The game in Richmond Joe Miles will take care of.

Please see to the change of the dates for the Norfolk perk and let me know it is O. K.

Very truly yours,
